Dear Parris:

Please accept this letter and attached résumé in application for the Class 1 Driving position with Rick Nickell Trucking Ltd. I learned of this possible opportunity through your trucks on the road.

As can be seen from the résumé, I possess more than two decades of experience in the trucking industry. I have a valid passport and the bulk of my driving experience has been in the lower 48 US states hauling general freight. I can pass the mandatory drug test as required by United States federal trucking regulations. Also, I have experience delivering less-than-load (LTL) freight and operating in most of the cities in the United States. Finally, with the coming winter, I have considerable mountain, and adverse and cold weather experience.

Rick Nickell Trucking Inc. is a trucking company that specializes in the hauling of general freight throughout Canada and the United States. Rick Nickell Transport prides itself on transporting freight in a timely, safe, and efficient manner. Rick Nickell Trucking is dedicated to meeting all the demands of its customers. I am confident that I would make a valuable contribution to your company.

I would like to thank you for your time and energy in considering my application as a driver trainer with Rick Nickell Trucking in your Armstrong location. If you require further information, please do not hesitate to contact me at the above address, 250-123-4567 or bobs1243@gmail.com.
